PHASE II-A CONSTRUCTION

The Oklahoma Department of Transportation finally told the gas company where they could lay the gas line under the highway for our building. Work should be underway at this time. Painting is done, toilets and lavatories installed in all three bathrooms, lighting is done and ceiling fans

Installed. Our appliances are in Tulsa awaiting delivery when we have hot water and heat. The dropped ceiling will be installed when the workers are through installing the heat.

Things are finally coming together! Now on to Phase II-B, the Cat Area.

RANCH HEIGHTS SCHOOL

Ranch Heights School celebrated "Love-A-Pet Week" from February 9—13 and the students were asked to bring in a donation for the animals at ARF.

Judy Allen delivered all of the items and all of the cats inspected everything. We now have canned and dry food for dogs and cats, disinfecting wipes, paper towels, treats, toys, litter box

deodorizers, dryer sheets and hand sanitizer.

Thank you
Ranch Heights
Students!

PLASTIC DOG HOUSES

If you have a plastic dog house that is no longer being used, please call us at 918-766-0991 so we can put it to good use! There are many unfortunate dogs in our area that need help to survive the spring-storms ahead. We recycle plastic dog houses to provide shelter to dogs in need. We also collect and distribute straw for dogs in need when available. If you see a dog with no shelter, please report the situation to Animal Control at 918-338-4001. If you don't have a plastic dog house to donate, but would like to donate to our ARF Dog House program, please send your donation to ARF at P.O. Box 3292, Bartlesville, OK 74006, with a "dog house" notation.

RESQWALK

The graphic features the ResQwalk logo at the top, with the tagline "Helping animals one step at a time". Below the logo are four circular icons with text: 1. A dog house icon with text "There are over 2.7 million healthy animals euthanized each year in the shelter system". 2. A plus sign icon with text "There are 13K rescue groups working to build a no kill nation". 3. A megaphone icon with text "To do this, they need money and awareness". 4. A person walking a dog icon with text "You can help make this happen each and every time you go for a walk". At the bottom, the ResQwalk logo is repeated with the text "is a mobile app that enables animal lovers to support animal rescues and shelters every time they go for a walk".

Does it cost anything to become a ResQwalk partner?

No, it's absolutely free!

Is ResQwalk available for both Android and iPhone?

The ResQwalk app is available for both iPhone and Android. It may be downloaded for free from the iOS App Store or GooglePlay store.

How does ResQwalk work?

Each week ResQwalk announces a donation pool and, in order for an organization to receive a portion of the pool, its supporters simply need to check-in to the app when they go for a walk. At the end of the week donations are paid out to the various rescues proportionally to the total distance walked. ResQwalk tracks both miles and kilometers walked.

How are donations distributed?

Donations are distributed on a weekly basis via Paypal. Statistics (money raised and miles walked) are displayed from the previous week on each rescue's profile page. Here each rescue's supporters can see the impact of their walks from the previous week.

Example: If ARF supporters walk 100 miles, and the total miles walked by all rescues' users is 1,000 miles, then ARF would earn 10% of the donation pool. If the donation pool is \$1,000, ARF would earn \$100.

Does ResQwalk have any other cool features?

Yes! Other features of the app include a curated "News" section filled with pet related content and a "Shop" section featuring products available for sale at ResQthreads.com, all of which spark a donation to the animal rescue of the purchaser's choice.

How often are donations distributed to ARF?

ResQwalk donations are paid out on a weekly basis.

You don't even have to have a dog. You can walk, jog or even run.

Where can you sign up??

You can sign up to become a partner at ResQwalk.com
